## La Tabella – Our Wine Philosophy

At La Tabella, we celebrate the soul of Italian dining, where wine is not just a pairing, but a part of the experience.

Whilst our wine list reflects the heritage and diversity of Italian viticulture, our list extends beyond Italy to include exceptional selections from Australia and other celebrated wine regions across the world.

From crisp alpine whites to structured Tuscan reds, vibrant Australian varietals to expressive international classics - every bottle is chosen to complement the flavours of our kitchen and the atmosphere of our table.

Each wine is selected thoughtfully, some are familiar, some are rare, all are expressive. Our passion is rooted in sharing these wines with you, with sincerity, curiosity, and a touch of Italian warmth.

We welcome you to explore, sip, and enjoy — whether it's a single glass or a journey across regions.

*Salute!*
